GARDEN HOME OPEN HOUSE ***A LITTLE TASTE OF SPRING!***

Celebrate the Spring Season with us over muffins and mimosas as we open the doors to our beautiful Garden Homes. Join us for a relaxed and welcoming afternoon filled with friendly faces, fresh flavors, and charming spaces.

We're hosting a special gathering for our Garden Home residents and an Open House for those exploring Independent Living. Come enjoy light spring refreshments and take a personal tour of our spacious 1,500+ square foot Garden Home, featuring open-concept living, a private garage, modern kitchen, and a bright bonus sunroom.

Meet your future neighbors, connect with current residents, and experience the comfort, ease, and warmth of Garden Home living. Rain or shine, we can't wait to welcome you!
