Chrome & Community: A Classic Car Celebration

Join us for an afternoon packed with shiny classics, stunning Corvettes, great music from Ellen Gould, delicious cookout favorites, and fun for the whole community. Whether you're a lifelong car enthusiast or just love a good summer gathering, this event has something for everyone.

Stroll through rows of beautiful vintage rides, swap stories with fellow car lovers, enjoy hamburgers, hotdogs, popcorn, and soak in the lively atmosphere as we celebrate the legacy of Nancy Price with friends, family, and the community.

Bring your appetite, your camera, and your love for classic cars — we can't wait to see you there for another unforgettable year of chrome, community, and good times!
