Tour, Taste & Discover the Traditions Difference!

Join us for an afternoon of great food, friendly conversation, and community at our **Garden Homes Open House & Cookout!** Tour our beautiful independent living homes, meet residents and staff, and discover the benefits of a vibrant, maintenance-free lifestyle.

Enjoy grilled cheeseburgers, hot dogs, chips, and refreshments while learning more about all our community has to offer. This special event is generously **sponsored by Hosparus Health**, who will be providing the cookout and sharing information about the compassionate care and support they offer seniors and their families.

Come see why so many are proud to call
Traditions at Beaumont home!
